Hello Sean!

I'm one of three sisters in a Celtic fiddle and dance group called The Gothard Sisters, and I would really like to thank you for creating such a thorough list of Celtic festivals on iollan.com. It has been very helpful to me lately in trying to find places for my sisters and I to perform this year, and I especially appreciate how you arranged them in chronological order with links to the festival websites.

There are so many Celtic Festivals out there.. when I'm looking them up online I end up linking from one to another, and another, and they seem endless! Your website makes the search much more manageable for me.

We're based in Seattle, but travel nationally in the summer to fairs and festivals. If you'd like to know more about us, feel free to visit our website: www.gothardsisters.weebly.com

Thank you again, and keep up the great work!!

All the best,

- Willow Gothard
